

BACK TO SCHOOL

Hunt Military Communities Foundation (HMCF) and Operation Homefront are excited to collaborate again to bring school supplies to military children before the 2023-2024 school year. This year, HMCF secured 2,314 backpacks filled with school supplies and will be distributing them throughout August to HMC communities within the continental U.S. and Hawaii.

Each year, Active Duty Service Member school-age children between the ages of who reside in Hunt Military Communities homes are eligible to register for a backpack. This program, in its third year, aims to alleviate some of the financial burden military families face when getting their children ready for school by providing backpacks with a variety of needed supplies, including pens, pencils, paper, scissors, and binders all tailored to the needs and grade levels of the children.

Hunt Military Communities Foundation and Operation Homefront are proud of the partnership and this most worthwhile program that provides needed supplies to our military families.

IMPORTANT EVENTS

Popsicle Fridays

Come to the Community Management Office from 8:00 PM to 5:00 PM every Friday to get a free popsicle while supplies last. What a great way to say hello to your neighbors and friendly AFAMC Team while cooling down this summer!

Safety Alert & Reminders

Don't forget to replace your air filter at least monthly. We recommend the 1st of every month. This will help keep your heater working properly this winter season. If you need a replacement air filter at no charge, visit the Community Management Office during business hours to pick up a FREE air filter. Be sure to test your smoke detectors and carbon monoxide sensors twice a month. We recommend doing this every payday so you do not forget.

COMMUNITY IMPROVEMENTS

We want to thank everyone in Douglas Valley for your patience as the Pressure Relief Valves (PRV) were installed in your Community in July. With this improvement, we are optimistic that we should see a sharp reduction in the instances of water pressure spikes in your neighborhood and the related impacts to your families such as pipes bursting and water heaters failing. We know this was an inconvenience with water outages affecting many of you - thank you so much for being patient as we make this improvement to serve you better!

MAINTENANCE CORNER

Did you know that we provide self-help items at our Community Center? If you need a basic item for your home such as a lightbulb or an air filter, stop by our Community Center office and we will work to help you out!
