

OUR CEO'S MESSAGE

Dear HMC Resident;

The wildfires on the island of Maui resulted in catastrophic damage to Lahaina and significant loss of life. As this small town begins the process of rebuilding, those affected will continue to need support, compassion, and understanding.

Hunt Military Communities and the Hunt Military Communities Foundation are donating to Maui Strong, with monetary donations going directly to those needing housing, food, and clothing.

I ask HMC residents to join me in sending thoughts and prayers to those affected by these fires. While it may take years to rebuild entirely, our commitment is to support those affected so they receive the resources and support needed to navigate the unimaginable loss.

Semper Fidelis,

Brian Stann
President & Chief Executive Officer
Hunt Military Communities

IMPORTANT EVENTS

Community Director Meet and Greet

Come by the Community Center on September 26th from 8:00 – 9:00 AM and meet the new Community Director, Stuart Campbell. He would love to hear from each of you on what's on your mind and how we can make your housing experience better. Light snacks and refreshments will be served and there will be casual and open conversation during the event. Please RSVP for the event by calling our office at 719-982-4800 so we can be sure we have enough refreshments and seating for all who are interested. We hope to see you there.

SAFETY ALERT & REMINDERS

Don't forget to replace your air filter monthly, at least. We recommend the 1st of every month. This will help keep your heater working properly this winter season. If you need a replacement air filter at no charge, visit the Community Management Office during business hours to pick up a FREE air filter.

Be sure to test your smoke detectors and carbon monoxide sensors twice a month. We recommend doing this every payday, so you do not forget.

COMMUNITY IMPROVEMENTS

Look Up! We have crews working around housing this month installing new roofs on a number of houses around the AFA to bring additional improvements to the homes here.

MAINTENANCE CORNER

Be Bear Aware! As you are enjoying your home, please be sure to think about bears, as they are present here at the AFA. Make sure you are storing and disposing of your trash and recyclables appropriately, and (where applicable) in a timely fashion. By being diligent in these items, we can reduce the frequency of bear encounters in housing.
