

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2026

COMMUNITY NEWS

Air Force Academy Family Housing Wishes you a Spooktacular & Safe Halloween!

Get ready for a frightfully fun evening! Trick-or-treating will take place on Saturday, October 31st, from 5:30 PM to 8:30 PM. To keep the night safe and enjoyable, here are some quick tips for you and your little ghouls and goblins.

Light it Right: Use heavy-duty extension cords for high-wattage decorations and check for the UL Mark when buying electrical items. Avoid overloading cords!

Inspect Decorations: Check lights and decorations for damage, such as frayed wires or cracked sockets. Replace worn-out items with energy-efficient LED lights.

Candle Caution: Keep candles out of reach or opt for safer LED alternatives, especially in Jack O'Lanterns.

Costume Safety: Ensure costumes allow free movement, don't drag, and don't block vision. Choose flame-resistant materials and add reflective elements for visibility.

Candy Check: Inspect all treats at home under good lighting. Discard anything open or suspicious.

MAINTENANCE TIPS

Remember to replace your air filter once a month – we suggest doing it on the first of the month to make it a habit. A clean filter helps keep your heater running smoothly all winter long. Need a replacement? Stop by the community management office during business hours to pick up a free air filter.

Don't forget to test your smoke detectors and carbon monoxide sensors twice a month. A great reminder, check them on payday to stay on schedule.

Stay warm and stay Safe!
