

AFA INSIGHTS NEWS & STORIES

Wear Blue Run To Remember is coming this month!

Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military affiliation. They are either retired military, a veteran, spouse, or was a military child. This

special bond with the armed forces allows us to understand first-hand some of the challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle
President
Hunt Military Communities

Preventive Maintenance & Irrigation Start Ups

Spring is a wonderful time of year with lots of activity going on from flowers budding to school events and more! It is also the time of year we schedule our irrigation startups (Douglass Valley) and preventative maintenance walks.

What is a preventative maintenance walk?

A technician will walk through your home and check items such as your smoke detectors, air filters and other life & safety items to ensure your home maintenance is up to date.

You are not required to be home at the time of the appointment; we will enter your home to perform the work if you are home or not home. However, please note this appointment is a requirement per your lease agreement so that we can ensure your home maintenance is up to date. Pets must be contained and an adult must be present if there are minors under the age of 18 present at the time of your appointment.

In order to keep the scheduled times on track, no additional work orders will be performed during these appointments. Additional work orders that are identified will have a separate appointment and work order created.

We appreciate your cooperation as we have a tight time frame to complete these appointments. Our goal is to provide you and your family with excellent service and a well maintained home.

Wear Blue Run to Remember

Join Us This Memorial Day
9:45am at Memorial Park

Wear Blue: Run to Remember serves as a moving memorial for all those who have lost their lives protecting our freedoms and is a reminder of support for the families they've left behind. Whether it has been days since they last saw their loved ones, or years, you will help us honor the most heroic men and women from this great nation and all those they left behind and for that, we are extremely grateful.

Please commit your miles today and invite your friends to join the movement using the hashtags #forthefallen #runinblue #uniteinremembrance #makememorialdayourmission and to share this page.
